

Ringwood Neighbourhood Plan – Housing Survey Summary

There were 279 respondents

Of the households that responded over 1/3 had members looking to buy or rent a house in the next year and over 80% of these had local connections. 50% of those looking to buy were looking to pay £350K or less.

Q3. Is anyone in your household, including yourself, planning to buy or rent a property in Ringwood in the next 7 years?

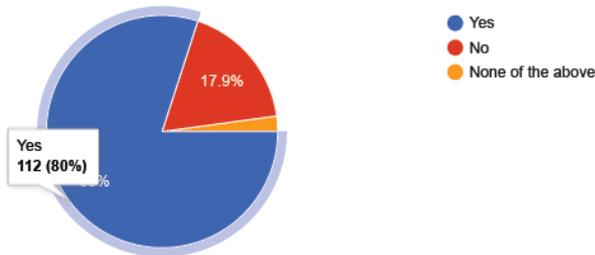

277 responses

Q4. if you answered no to the previous question, please skip to Question 10.

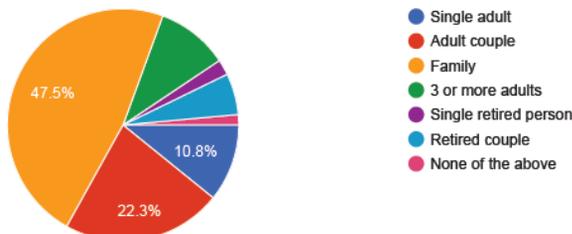

Q5. Do you or your household have family connections to Ringwood (close family living in the town/area)?

140 responses

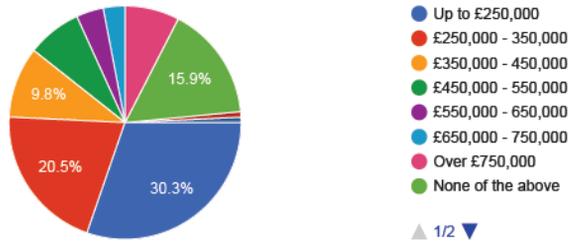

Q6. How would you describe this household?

139 responses

Q9. If purchasing, what price range is being considered?

132 responses

From the respondents' experience Ringwood is lacking starter homes (1-2 bed), mid-priced 2-3 beds and council / housing association dwellings. There was a split view on supporting a small development of social/affordable housing on a Green Belt site (42.2% for 46.2% against)

Q10. From your experience in Ringwood, which type of housing is in most need but in short supply?

270 responses

Q11. If this survey indicates a need, would you support a small development of social / affordable housing for local Ringwood people on a Green Belt site at the edge of the Town?

277 responses
